

3 red balls and 1  
blue ball

3 blue balls and 1  
yellow ball

2 green balls, 1  
yellow ball, 1 red

4 green balls

1 red, 1 blue,  
1 green, 1 yellow

4 yellow balls

2 blue balls and  
2 yellow balls

2 red balls, 1 blue  
ball and 1 green

If the correct colour balls are not available then they could be made just from piece of paper cut out for the right colour. Another file in the set has the same game but with colourful flowers to print out and use, with different colour collection cards. This could be a change if there are not plastic balls to use, though a colour printer will be needed to use them. 10 sheets of the colour flower sheet will need to be printed.
